

FAS Office of Career Services – Fall 2021

Resources for Postdocs

Below please find a list of select resources and programs that postdocs may access through the [FAS Office of Career Services](#). Postdoctoral fellows who are alumni of either Harvard College or GSAS are eligible to use all OCS services. All other postdocs can learn about career services at postdoc.harvard.edu and postdoc.hms.harvard.edu.

Select Career Fairs & Programs and Workshops

Career fairs and expos are a great way to meet representatives from different types of organizations, to learn about internship and full-time positions, and to discover exciting opportunities within the field. Postdocs are welcome at the virtual career fairs & programs and workshops listed below.

- **Career Fairs** -All OCS-hosted career fairs will be held virtually on the Crimson Careers platform. Postdocs are invited to participate in the following fairs, and registration will be managed through the FAS and HMS postdoc offices:
 - [Data Analytics, Science, and Technology Fair – Sept 24, 2021](#)
 - [Harvard Biotechnology Club Career Fair – October 14-15](#)
 - [Biotech, Pharma, and Healthcare Expo – Spring 2022](#)
- [The Networked Job Search – October 6, 2021](#)
- [Out in Academic Science – December 2, 2021](#)
- [Previously recorded webinars](#): Browse recording of previous events including *How to Work a Virtual Career Fair*, *Craft and Tailor Your CV & Cover Letter*, *Going on the Academic Job Market*, and *Resume & Cover Letter Essentials*

Online Assessment Tools

- [Versatile PhD](#) (free – OCS and FAS postdoc offices subscribe to provide this resource)
 - Postdocs may find the Options 4 Success, recorded webinars, and PhD Career Finder most helpful
- [StrengthsProfile](#) (has a cost; For this and Free the PhD, Caroline Rende can provide you with more info if you'd like to order in bulk and provide to postdocs through the FAS & HMS/HSDM postdoc offices or PDA)
- [FreethePhD](#)
- [ImaginePhD](#) – a great free resource for Humanities and Social Sciences PhDs
- [myIDP](#) – a great free resource for STEM PhDs

Engage (GSAS Student Life Platform)

Anyone with a Harvard key can access [Engage](#), a centralized platform that allows members of the GSAS community to find and join graduate student groups, events, and news. Career-related graduate student groups include:

- [GSAS Harvard Biotech Club](#)
- [Harvard GSAS Consulting Club](#)
- [Harvard GSAS Business Club](#)

Crimson Careers

Postdocs are welcome to come in-person to the Office of Career Services (54 Dunster Street) to search job and internship postings in Crimson Careers. Postdocs should be aware that most postings in Crimson Careers are targeted toward undergraduates, but they can search for opportunities targeted to PhD students and GSAS alumni for opportunities that may be more relevant to them.

Employer-Hosted Events

Postdocs may access the [GSAS employer calendar](#) online to view many virtual employer-hosted events open to all Harvard affiliates unless specified in the event description. Many employer information sessions that are relevant to postdocs are hosted by various GSAS Student Groups and may not be listed on the GSAS Employer Calendar. Postdocs should check Engage and subscribe to each group's listserv to receive notice of these events.
