Introductions - 3 sentences

We invite each of you to create your pitch / networking introduction. Your target will be for this introduction to be 3 sentences long. Take a moment to think through and write out what you want to say using the below options, or create your own sentence starters.

1. Name

2. Where you've been

3. Where you are going

1. My name is _____

2. Where you've been (pick one option):

I am researching _____ with _____

My background includes work in _____, _____ and _____

My work involves _____

Some of my work in the past has included _____

Or create your own way to start this sentence.

3. Where you are going / or what information are you seeking (pick one option):

I'm currently targeting work that involves _____

I'm considering a shift or change to _____

While I'm not sure of my exact target for my next job, I'd love to use my skills of _____ and _____ and I am considering _____ .

I enjoy this research and am always interested in talking to people in the field of _____ or related fields.

Or create your own way to start this sentence.
